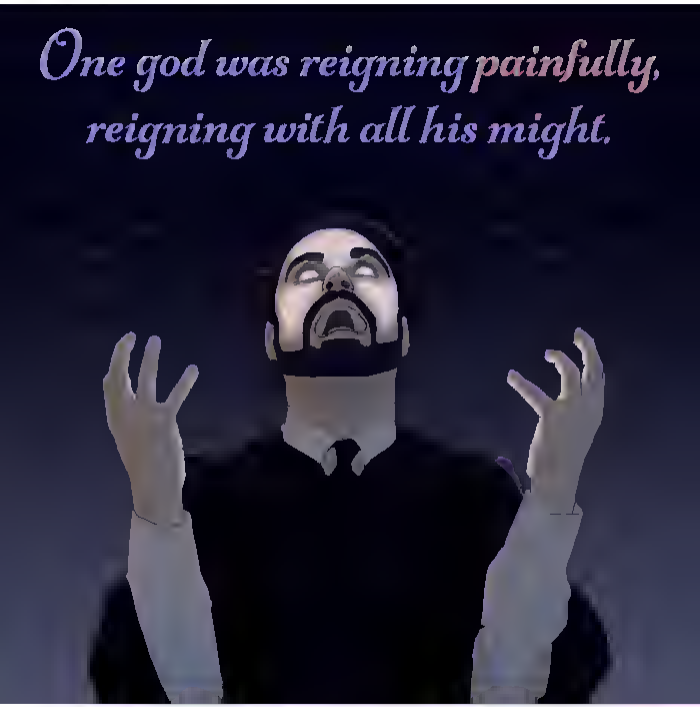
POCKEY-PLYPSE

AN ILLUSTRATED POEM

(PART ONE of TWO)



One god was reigning painfully,
reigning with all his might.

He did his very best, so that
the people filled with fright.

Evil
And this was odd, because is was not good, nor nice, nor right.

Another god skulked sidkily
because she thought the one

?
had got no right to share the light
for purposes like fun.

"There must be just one Unity.
Not three! Not two! Not none!"
